(the “**Debtors**”), hereby makes its First Interim Fee Application for Compensation Earned and Expenses Incurred for the Period from September 19, 2019 through January 31, 2020 (this “**Application**”) and respectfully represents as follows:

### **Introduction**

1. FTI provided services to the Committee in accordance with the instructions and directions of the Committee. FTI is compensated on an hourly fee basis, plus reimbursement of actual and necessary expenses incurred by FTI.

2. By this Application, FTI seeks allowance of (i) compensation for actual and necessary professional services rendered by FTI as financial advisor to the Committee for the period from September 19, 2019 through January 31, 2020 (the “**Compensation Period**”) in the

A breakdown of the hours and fees by professional is annexed hereto as **Exhibit A**. A breakdown of the hours and fees by task code is annexed hereto as **Exhibit B**. 11. On September 18, 2019, the Court entered an order [Docket No. 59] authorizing the joint administration and procedural consolidation of the Debtors’ chapter 11 cases pursuant to Bankruptcy Rule 1015(b). No examiner has been appointed in the chapter 11 cases pursuant to section 1104 of the Bankruptcy Code.

12. On November 21, 2019, the Court entered its Interim Compensation Order [Docket No. 529] establishing the procedures for interim compensation and reimbursement of expenses incurred by professionals retained by the Debtors pursuant to sections 327 or 1103 of the Bankruptcy Code (“**Retained Professionals**”).

13. On December 2, 2019, the Court entered the *Order Authorizing the Debtors to Assume the Reimbursement Agreement and Pay the Fees and Expenses of the Ad Hoc Committee’s Professionals* [Docket No. 553] (the “**Retention Order**”).

14. During the Compensation Period, FTI has represented the Committee, in connection with these chapter 11 cases, including with respect to, among other things, the Debtors’ domestic and international business plans, employee compensation plans, and historical cash

transfers. The fees earned and the expenses incurred by FTI in connection with these activities are the subject of this Application and are described in more detail below and the exhibits hereto.

**Basis for Relief Requested**

17. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code that govern the Court's award of such compensation. See 11 U.S.C. § 331. Section 330 provides that the Court may award a professional employed under section 327 "reasonable compensation for actual, necessary services" and "reimbursement for actual, necessary expenses." 11 U.S.C. §

330(a)(1). Section 330(a)(3) also outlines specific criteria that the Court shall consider in determining the amount of reasonable compensation, including:

- a. the time spent on such services;
- b. the rates charged for such services;
- c. whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- d. whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- e. with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- f. whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

18. All of the services for which FTI seeks compensation were necessary for, beneficial to, and in the best interests of the Committee. FTI's fees are reasonable given the size and complexity of the Debtors' cases.

19. All of the services for which interim compensation is sought herein were rendered for and on behalf of the Committee. FTI respectfully submits that the professional services rendered were necessary, appropriate, and have contributed to the effective administration of the Debtors' chapter 11 cases and maximization of value. It is respectfully submitted that the

services rendered to the Committee were performed efficiently, effectively, and economically, and the results have benefitted the Committee.

20. The hourly rates that FTI has charged are consistent with the market rate for comparable services. The hourly rates and fees charged by FTI are the same as those generally charged to, and paid by, FTI's other clients. FTI regularly reviews its hourly rates on an annual basis and, accordingly, the rates included in this Application reflect an ordinary course hourly rate increase.

21. Whenever possible, FTI sought to minimize the costs of its services to the Committee by utilizing talented junior professionals to handle more routine aspects of case administration. A small group of the same FTI professionals was utilized for the vast majority of the work in these cases to minimize the costs of intra-FTI communication and education about the Debtors' circumstances.

22. FTI believes that the expenses incurred are reasonable and economical relative to the services required by the Committee and were incurred as a direct result of FTI's representation of the Committee. These expenses are the type customarily charged to non-bankruptcy clients of FTI. None of the expenses relate to non-reimbursable overhead. FTI has adhered to allowable rates for expenses as fixed by 2016-1 of the Local Rules for the United States Bankruptcy Court of the Southern District of New York.

23. In accordance with the factors enumerated in section 331 of the Bankruptcy Code, the amounts requested herein are fair and reasonable given (i) the complexity of the cases, (ii) the time expended, (iii) the nature and extent of services rendered, (iv) the value of such services, and (v) the costs of comparable services other than in a case under the Bankruptcy Code.

24. FTI submits that pursuant to the criteria normally examined in bankruptcy cases and based upon the factors considered in accordance with sections 330 and 331 of the Bankruptcy Code and Bankruptcy Rule 2016, the results achieved provide more than sufficient justification for approval of compensation sought by FTI.

WHEREFORE, FTI respectfully requests that the Court enter an order:

- a. Granting this Application;
- b. Awarding FTI, on an interim basis, compensation for professional services rendered during the Compensation Period in the amount of \$3,183,065.00 and reimbursement of actual, reasonable and necessary expenses incurred by FTI during the Compensation Period in the amount of \$15,395.05;
